### **Do I need renter's insurance?**

The Office of Residence Life advises that each resident carry individual renter's insurance for his or her personal property in the event of fire, flood, theft, hurricane, tornado, overflowing tubs, broken pipes, water main breaks, etc.

You may be covered by your parents' homeowner's insurance. Check with your parents' homeowner's insurance company to see what is covered and additional information necessary for coverage.

### **When can I move into Housing?**

Move-In Weekend is always the weekend before classes start. An informational email will be sent out to those who have completed the housing application process.

### **What is a Housing Check-In/Check-Out Form?**

You must complete, sign and return a Housing Check-In Form at move-in to document any problems with the condition of the room when it is initially occupied. You will be held responsible for any damages to the room found upon move-out unless originally noted on the Housing Check-In Form; or a previously reported maintenance problem.

Rooms will be inspected again at move-out. You must be present for this inspection and to schedule this inspection before moving out. If the Housing Check-In Form has not been completed and returned, the Office of Housing and Residence Life will assume that there were no problems with the room when you initially moved in.
