Total degree program = 120 SH of which no more than 60 are required to be taken through TU. Actual CCAF transfer credits may differ from those shown in this generic degree plan depending on the number of general education courses taken to complete the CCAF AAS degree, or AAS degree credit hours that are awarded for "core" course requirements. Any adjustment will honor the 60 semester hour credit guarantee of the CCAF program. Students must complete the CCAF degree requirements with a minimum 2.00 GPA.

TU accepts 45 semester hours of transfer requirements from CCAF as Elective Credit.
