General elective credit		45	12
Total Credits Required Bachelor of Science Degree	120	60	60

Notes:

Total degree program = 120 CH of which no more than 60 are required to be taken through TU. Actual CCAF transfer credits may differ from those shown in this generic degree plan depending on the number of general education courses taken to complete the CCAF AAS degree, or AAS degree credit hours that are awarded for "core" course requirements. Any adjustment will honor the 60 semester hour credit guarantee of the CCAF program. Students must complete the CCAF degree requirements with a minimum 2.00 GPA.

TU accepts 45 semester hours of transfer requirements from CCAF Elective Credit.

Students in their senior year in social work should plan on a time commitment of at least 200 hours each semester (400 total) for their Field Practicum. See the Thomas Catalog's page 191, [Fall-2022-2023-Catalog-.pdf \(thomasu.edu\)](#), "The Social Work Experience: Classes and Practicum Training" for further information.
