hours to community
causes annually

55
programs of study

Students from
39
states and
23
countries

TU awarded over
\$2 MILLION
in scholarships

We GIVE *because...*

“Thomas University helps round out our community through education, allowing the region to thrive and grow into the future.”

**– Russell Turner
1915 South | Ashley**

because
we **GIVE**...

“Thomas University gives me the chance for higher education while being close to home surrounded by family. TU provides its military students with support and understanding of the lifestyle in which I was raised. Their pride and support of the military makes attending TU mean a lot to me and my family.”

**– Brookelyn Key
Sophomore
Middle Grades Education**

We GIVE *because...*

“We give because we have seen firsthand how an education from Thomas University not only improves the lives of students, but also the lives of their families and their communities. We both have had family members take advantage of the educational opportunities from Thomas University and these opportunities set a path for a better future for each of them.”

– Eve and Fortson Rumble
ER/FR Enterprises

because
we **GIVE**...

“When you love what you do, you will never have a dull moment in your life. Thomas University has given me the opportunity to fulfill my dream job and even play the sport I love so much. It’s been an amazing experience to work with some of the best coaches and administrators. Everyone has treated me like family. I can truly say that I am in love with what I do here. I wear the Night Hawk logo with pride, knowing that I can represent TU every day. All of my hard work and dedication in the last four years will pay off soon because of Thomas University.”

**– Jennifer Coleman
Junior**
